THE TWELVE STEPS OF COCAINE ANONYMOUS

1. We admitted we were powerless over cocaine and all other mind-altering substances — that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God, as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

The Twelve Steps are reprinted and adapted with permission of Alcoholics Anonymous World Services, Inc. Permission to reprint and adapt the Twelve Steps does not mean AA is affiliated with this program. AA is a program of recovery from alcoholism. Use of the Steps in connection with programs and activities which are patterned after AA, but which address other problems, does not imply otherwise.'

THE TWELVE TRADITIONS OF COCAINE ANONYMOUS

1. Our common welfare should come first; personal recovery depends upon C.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances.
4. Each group should be autonomous, except in matters affecting other groups or C.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the addict who still suffers.
6. A C.A. group ought never endorse, finance or lend the C.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every C.A. group ought to be fully self-supporting, declining outside contributions.
8. Cocaine Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. C.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Cocaine Anonymous has no opinion on outside issues; hence the C.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, television and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

THE TWELVE CONCEPTS

1. The final responsibility and the ultimate authority for C.A. World Services should always reside in the collective conscience of our whole Fellowship.
2. The C.A. Groups delegate to the World Service Conference the complete authority for the active maintenance of our world services and thereby make the Conference — excepting for any change in the Twelve Traditions — the actual voice and the effective conscience for our whole Fellowship.
3. As a traditional means of creating and maintaining a clearly defined working relation between the Groups, the Conference, the World Service Board of Trustees and its Service Corporation, staffs, and committees, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of World Service with a traditional “Right of Decision.”
4. Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our World Service structure, a traditional “Right of Appeal” ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.
6. On behalf of C.A. as a whole, our World Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the World Service Board of Cocaine Anonymous.
7. The Conference recognizes that the Charter and the Bylaws of the World Service Board are legal instruments; that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Cocaine Anonymous. It is further understood that the Conference Charter itself is not a legal document; that it relies instead upon the force of tradition and the power of the C.A. purse for its final effectiveness.
8. The Trustees of the World Service Board act in two primary capacities: (a) With respect to the larger matters of overall policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of custodial oversight which they exercise through their ability to elect all Directors of these entities.
9. Good service leaders, together with sound and appropriate methods of choosing them are at all levels indispensable for our future functioning and safety.
10. Every service responsibility should be matched by an equal service authority — the scope of such authority to be always well defined, whether by tradition, by resolution, by specific job

description or by appropriate charters and bylaws.

11. While the Trustees hold final responsibility for C.A.'s world service administration, they should always have the assistance of the best possible standing committees and service boards, staffs and consultants. Therefore the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the system of their rotation, the way in which they are related to each other, the special rights and duties of our staffs and consultants, together with a proper basis for the financial compensation of these special workers will always be matters for serious C.A. care and concern.

12. General Warranties of the Conference: In all its proceedings, the World Service Conference shall observe the spirit of the C.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power, that the sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Cocaine Anonymous, it shall never perform any acts of government; and that, like the Fellowship of Cocaine Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

- The SFVCA Service Manual is a manual of procedures, guidelines and role definitions. It is intended to provide trusted servants with a clear definition of service roles (job descriptions) and their related guidelines and procedures.
- The SFVCA Service Manual and the C.A. World Service Manual do not supersede the SFVCA Bylaws, the C.A. 12 Steps, C.A. 12 Traditions, C.A. 12 Concepts, current C.A. World Service Conference approved guidelines for Group accreditation, or local, state, and federal laws.
- The Area Service Committee's duly elected Area Service Board is the effective voice and conscience of the Area Service Committee when acting as the SFVCA Board of Directors.
- The service manual can, and should, grow as the SFVCA fellowship grows.

The SFVCA Service Manual was written utilizing the SFVCA Bylaws, The 12 Traditions, The 12 Concepts, the Cocaine Anonymous World Service Manual, Cocaine Anonymous World Service Conference approved literature, and from the SFVCA group conscience.

Nearly all of what is in print in the SFVCA Service Manual can be found in the above-mentioned literature, or in the SFVCA corporate archives as a vote by the group conscience of the Area Service Committee (GSRs, Standing Committee Chairs, and Delegates), or the Area Service Board.

Those items that were not found in print are what the SFVCA Area has recognized as items that needed to be put into print as part of the Service Manual.

This SFVCA Service Manual was ratified by the Area Service Committee (GSRs, Standing Committee Chairs, and Delegates) in December 2016 as reflected in the ASC minutes.

PREFACE

This is the trusted servant Service Manual of the San Fernando Valley Cocaine Anonymous Area Service Committee.

The SFVCA Service Manual is not a rulebook, it is a handbook of service role definitions and simple guidelines. This manual covers procedures and duties for those recovering from cocaine and all other mind altering substances that have the time, ability, and choose to be of service to the Ninth Tradition formed Area Service Committee. Certain C.A. World Service guidelines apply to Area level service work, in addition to various local, state and federal legal obligations. The guidelines in this Service Manual are a compilation of our experience and successes in creating a service organization that has made the message of Cocaine Anonymous's 12 Step recovery available to the practicing addict that doesn't understand, or doesn't know, there is a solution to living without cocaine and all other mind altering substances.

Our Area service organization is a source of unity for the C.A. Fellowship. Here is a place where we can each readily unify around one goal — maintaining a service organization that provides the needed public outreach to still suffering addicts and their families in our community that a Group, or an individual, may not have the means or ability to implement, as well as providing support of our local C.A. Group's common needs. The Area Service Committee service structure includes public service committees and fellowship service committees.

In the Introduction to the 12 Concepts of World Service Bill Wilson wrote that each new generation of trusted servants would be eager to make operational improvements... „Unforeseen flaws in the present structure will doubtless show later on. New service needs and problems will arise that may make structural changes necessary. Such alterations should certainly be effected, and these contingencies squarely met. Yet we should always realize that change does not necessarily spell progress. We are sure that each new group of workers in World Service will be tempted to try all sorts of innovations that may often produce little more than a painful repetition of earlier mistakes. Therefore, it will be an important objective of these Concepts to forestall such repetitions by holding the experiences of the past clearly before us. And if mistaken departures are nevertheless made, these Concepts may then provide a ready means of safe return to an operating balance that might otherwise take years of floundering to rediscover.”

One of the most important principles contained in every C.A. Service Manual is definition of service roles and duties. Without definitions, our service roles would have no boundaries. No one would know exactly what his or her service duties are, or what procedures to use to carry them out successfully. This manual provides some of those definitions.

The SFVCA Service Manual also fills the important need of providing our Area Service Committee structure with a “safe return to an operating balance that might otherwise take years of floundering to rediscover” should we make a mistake in the changing or rearranging of operational guidelines or duties.

In some instances, the SFVCA Bylaws will contain more specific definitions and guidelines than this manual and should be referred to when necessary or appropriate. This Service Manual does not supersede the SFVCA Bylaws, The 12 Steps, The 12 Traditions, or any local, state, or federal

laws.

Over the years, we, in Cocaine Anonymous, have learned that the same basic principles for being of service at the World level apply in exactly the same manner for being of service not only at the Area level, but also at the Group level, so you will find principles in this manual that can also be helpful at the Group level.

Well-structured service helps us learn to define our service role responsibilities so that each of us may rightly relate to the other as a worker among workers and a friend among friends. We then see the benefit of learning to define our roles in our daily lives, whatever the role may be at the moment; husband, wife, son, daughter, employee, employer, church member, recovering addict, trusted servant, etc. This relating rightly to ourselves, to the Higher Power of our own understanding, and to other human beings is the essence of the “emotional sobriety” referred to in Step 10 and Step 12 of the 12 Steps and 12 Traditions.

We have learned that with a proper definition of his/her role in the lives of others, recovering addicts will relate rightly to those around them and be that much closer to becoming “.. happily and usefully whole”

In practicing Step 12 through being of service, at any level, we have been given the opportunity to learn to relate rightly not just to each other but to our own selves. We cheerfully accept our obligation in the part of Step 12 that says “. We tried to carry this message to other addicts”. We have found being of service to be a valuable teacher. We hope the same for you.

INTRODUCTION

As a Fellowship, we do unanimously agree that to effectively carry our message of Cocaine Anonymous's 12 Step recovery to all who have the desire to recover from addiction to cocaine and all other mind altering substances, there must necessarily be a well-structured service organization with effective leadership:

This is where Tradition 9 and Concept 9 come in —Tradition 9 states “C.A., as such ought never be organized; but we may create service boards or committees directly responsible to those they serve” and Concept 9 states “Good service leaders, together with sound and appropriate methods of choosing them are at all levels indispensable for our future functioning and safety. “

Ninth Tradition service boards and committees require organization and leadership. In order for Cocaine Anonymous's lifesaving message of 12 Step recovery to successfully reach the still suffering addict, community outreach services and support services to the local Groups must be organized. These services must be guided not only by group conscience but by carefully chosen leaders. These leaders are trusted servants. We count on them to help us carry out our grateful hope that, as many as may need it will receive the opportunity to hear the message of Cocaine Anonymous's 12 Step recovery.

The need for well-structured services and effective leadership is not always easily understood until we realize that there are many opportunities for Cocaine Anonymous to carry the lifesaving message of 12 Step recovery into places that aren't always accessible to a Group or an individual. The excerpts on the following pages are adapted from the AA service literature, C.A. trusted servants at the World Service level use as a guide much as the C.A. individual uses the AA Big Book and the 12 Steps and 12 Traditions as a guide to recovery.

Hopefully the following excerpts will provide some basic understanding regarding both the need to create well-structured Area services that will ensure successful outreach to the still-suffering addict and our community. Equally important is the necessity of defining the delegated operational authority required to ensure effective leadership at all levels of service. (Concept 10)

SERVICE

¹ „Our Twelfth Step — Carrying the message — is the basic service that C.A.'s Fellowship gives; this is our principal aim and the main reason for our existence. Therefore, C.A. is more than a set of principles; it is a society of cocaine addicts *in action*. We must carry the message, else we ourselves can wither and those who haven't been given the truth will die.¹

LEADERSHIP

² Therefore, some traditional and practical principle has to be devised which at all levels *will continuously balance the right relation between ultimate authority and delegated responsibility.*

How, then, are we going to accomplish this?

There are three possible attitudes that we might take toward such a state of affairs. We could, for instance, throw away all corporate charters, bylaws, job definitions, and the like. This would leave it entirely to each group of trusted servants to figure out what its authority and responsibility really is. But such an absence of any chartered structure would be absurd; nothing but anarchy could result. Then of course we could take the opposite tack. Refusing to give our leadership any worthwhile discretion at all, we could add to our present Charters great numbers of rules, regulations, and bylaws that would attempt to cover every conceivable action or contingency. That would be altogether too much red tape — more than we C.A.'s could stand.

The right C.A. solution for this problem is to be found, however, in the latter part of Tradition Two, which provides for “trusted servants” This really means that we ought to trust our responsible leaders *to decide*, within the understood framework of their duties, *how they will interpret and apply their own authority and responsibility to each particular problem or situation as it arises.* This sort of leadership discretion should be the essence of “*The Right of Decision,*” and I am certain that we need not have the slightest fear of granting this indispensable privilege at nearly every level of service.

STRUCTURE

³...we really do have a business to conduct as well as a cooperative spiritual enterprise to foster. Therefore, a reasonable amount of discipline and direction is a necessity. Those who cannot or will not see this are not well suited for [organized service] work.

FOREWORD

The SFVCA service structure was created under the Ninth Tradition. It is an incorporated non-profit organization. We generate revenue to provide outreach services to our community and support services to our local Groups. There are other specific details in the SFVCA Bylaws regarding sobriety requirements and the responsibilities and duties of Area trusted servants and committees. In some cases, money is being handled, or a particular service committee is dealing with a business or an institution such as a jail, a hospital, or a treatment center. In other cases the Area service structure is carrying out the will of the Fellowship as a whole as voiced by their Group Service Representatives. For these reasons much of what is contained in the SFVCA Bylaws and this Service Manual is direction rather than suggestion. The Bylaws and the Service Manual are based on The 12 Traditions, The 12 Concepts, certain C.A. World Service Manual guidelines, etc., and the Area Service Committee's approved guidelines as reflected by vote or group conscience agreement, as well as certain local, state, and federal legal requirements.

The incorporated Area service structure is not connected to the personal program of recovery, in the sense that one need not volunteer for an Area level service commitment. At the Group level it may be very rewarding to accept the commitment of GSR (Group Service Representative) and participate in the Area Service Committee as the Group's voice and conscience at the Area level. There are many commitments at the Group level that are just as personally rewarding as Area level commitments. And of course, there are the ultimately rewarding gifts of sponsorship and working with newcomers.

Area level service is an extension of 12th Step work that is often able to reach beyond the scope of an individual, or a single Group. A recovering addict's personal 12th Step work and service commitments at the Group level, are equally as important as the community outreach services, fellowship-wide activities, and the Group support that the Area's Standing Committees provide. But for many of us Area service work offers an extra opportunity to give back by reaching out and carrying the message of Cocaine Anonymous's 12 Step recovery to places where it otherwise might not be heard.

Those of us that have the time and desire to be of service at the Area level are grateful for the service examples of those that came before us.

A HISTORICAL NOTE

On June 12, 1983 Gilbert M., Jonathan S., and Raymond G. filed Articles of Incorporation in the State of California for a new nonprofit organization based in Los Angeles, California called Cocaine Anonymous.

Article 2 of this filing stated that it was a nonprofit public benefit corporation and that it was not organized for the private gain of any person. It was organized under the Nonprofit Public Benefit Corporation Law for charitable purposes.

It was stated that „The specific purposes for which this corporation is organized are to educate and rehabilitate drug addicts, specifically those with cocaine and related drug problems“

On June 18, 1984, the Articles of Incorporation were endorsed as filed by the then California Secretary of State March Fong Eu.

On April 28, 1986 San Fernando Valley C.A. Central Office was incorporated in the State of California

DEFINITION OF A COCAINE ANONYMOUS “GROUP ”

(From the Cocaine Anonymous World Service Manual, 2016)

A meeting is when two or more people gather together to share their experience, strength and hope with each other.

A meeting may call itself a C.A. Group when:

1. The only requirement for membership is a desire to stop using cocaine and all other mind- altering substances.
2. It is fully self-supporting.
3. Its primary purpose is to help addicts recover through the Twelve Steps of C.A.
4. It has no outside affiliations.
5. It has no opinion on outside issues.
6. Its public relations policy is based on attraction rather promotion

THE C.A. GROUP

The basic unit in C.A. is the local Group which is autonomous except in matters affecting other Groups or C.A. as a whole. The Group has but one primary purpose, which is to help others to recover through the Twelve suggested Steps. Each Group is self-supporting through its own contributions. As the Twelve Steps are our guide to recovery the Twelve Traditions are our guide to Group unity, growth and discipline. Its members maintain their personal anonymity at the level of press, radio, television and films.

The importance of the Group, what it constitutes and its functions cannot be stressed enough.

Maintenance of our recovery depends on the sharing of our experiences, strength and hope with each other, thus helping us to identify and understand the nature of our disease.

Most addicts in C.A. achieve and sustain their recovery as a result of their participation in the activities of the Group. The Group is the heart of Cocaine Anonymous and it is vital to the new member. It is equally important to those who have achieved recovery as a result of the program. They may continue to participate and receive assistance from the Group.

The Group's total responsibility is perhaps best expressed by the First Tradition:

“Our common welfare should come first; personal recovery depends upon C.A. unity.”

Most meetings follow a more or less set format, although distinctive variations have developed. It is our experience that many meetings begin or end with some form of prayer. While each C.A. group is autonomous, and adopts its own format, C.A. as such never endorses, opposes or affiliates, expressed or implied, with any sect, denomination, politics, organization or institution. A leader describes the C.A. program briefly for the benefit of the newcomers, and then turns the meeting over to a speaker or to participation. Sometime during the meeting, there is usually a period of C.A. related announcements of interest to the meeting. A collection is taken to cover rent, literature and chips, refreshments, contributions to the District, Area, and World Service Office as per the 7th Tradition.

Those attending meetings are reminded that any opinions or interpretations they may hear are solely those of the speaker or participant involved. All members are free to interpret the recovery program in their own terms, but no one can speak for the local Group or C.A. as a whole.

THE C.A. HOME GROUP

A Home Group may be defined as a meeting a member regularly attends. The Home Group provides an opportunity to begin to be of service. Experience shows a Home Group is one of the vital components to continuous sobriety. In a Home Group members can participate in the business meeting and are able to cast their vote as a part of the group conscience.

MEETING/GROUP TYPES

OPEN: Attended by C.A. members, their families, friends and other interested people.

CLOSED: Attendance is limited to C.A. members only.

MEETING/GROUP STYLES:

STEP STUDY: Study and discuss the Twelve Steps with the Group.

BOOK STUDY: Study and discuss with the Group any of these books: A Quiet Peace; Hope, Faith & Courage Stories from the Fellowship of Cocaine Anonymous (the “C.A. Story Book”). Hope, Faith & Courage Volume II Stories and Literature from the Fellowship of Cocaine Anonymous; Alcoholics Anonymous (the “Big Book”), Twelve Steps and Twelve Traditions (the “12 and 12”); and The A.A. Service Manual, combined with the 12 Concepts For World Service”.

PARTICIPATION: Participants discuss their experience, strength and hope with the meeting/group one member at a time.

SPEAKER: One or more C.A. members share their personal experience, strength and hope with the meeting/group at length.

H&I MEETINGS: H&I meetings are often restricted to patients or residents only, and not open to the community as a whole. These meetings are brought into facilities by local C.A. members through the H&I committee. H&I meetings are basically beginner’s meetings; with the chairperson of each meeting providing the speakers. They are not usually listed in the area or world directory; and they do not observe the 7th Tradition. Certain facilities may require H&I participants to be subject to sobriety requirements, dress and conduct codes.

ONLINE MEETINGS:

Email meetings – These are email based and run 24 hours a day, 7 days a week.

Voice meetings – These are voice only, voice over internet protocol meetings and are similar in format to face to face meetings.

The group agrees that the final arbiter of questions regarding interpretation of the Traditions, principles, or policies of Cocaine Anonymous is the Board of Trustees of **Cocaine Anonymous World Services, Inc.**

GROUP SERVICE REPRESENTATIVE'S RESPONSIBILITIES

The GSR is the C.A. Group's link to the Area Service Committee (ASC). The Area Service Committee is comprised of one GSR from each C.A. meeting in the SFVCA Area, Area World Service Delegates, Area Standing Committee Chairs and the Area Service Board.

The GSR is trusted to carry the Group's conscience to the Area Service Committee meeting and to vote on the Group's behalf.

As such the GSR should be a responsible member of the Group who regularly attends that Group's meeting. This should be a one (1) year commitment with six (6) month recommended sobriety.

The Group Service Representative responsibilities can be found in the SFVCA Bylaws, GSR book and in the C.A. World Service Manual.

Some suggested responsibilities of a GSR are:

- At the beginning of their commitment new GSRs should attend the GSR workshop scheduled ½ hour prior to the Area Service Committee meeting.
- Call for a vote to donate to the Area one week prior to the Area Service Committee meeting and obtain the donation from the Group's treasurer.
- The GSR is required to attend each Area Service Committee meeting, bring their GSR notebook, take notes on the information given there and prepare a short report for their meeting.
- It is suggested the GSR report be given at least once a month according to each Group's wishes. However, a trusted servant should draw attention to upcoming special events each week and a Hospitals and Institutions pitch should be made prior to the H&I meeting. H&I meets the 1st Monday of each month.
- Determine if Chips, Literature, and Directories need to be purchased at the Area Service Committee meeting.
- Collect articles, sobriety birthdays, and other submissions for the Newsletter and forward these to the Newsletter Committee at the Area Service Committee meeting or via email.
- See that the Group also selects a willing alternate to serve in the GSR's absence and notify the alternate to attend the Area Service Committee meeting when needed.
- Provide the Area Accreditation Committee with any changes in the time, location, or format of the meeting.
- Alert the Secretary if the GSR requires that a Group conscience be taken or if additional time is needed for the current GSR report. Consider giving your GSR report just before the break or when the 7th Tradition is being collected, rather than at the end of the meeting. This may guarantee the attention of more members and detract less from the flow of the meeting.

THE AREA SERVICE COMMITTEE MEETING IS CURRENTLY HELD ON THE 2nd MONDAY OF EACH MONTH AT 6425 Tyrone Ave., Van Nuys, CA 91401

SUGGESTED FORMAT FOR GSR REPORT

SERVICE

- Hospitals and Institutions
- Hotline
- Commitments that are open

Try avoiding phrases like “can always use your help.” This lessens the importance of these commitments. Instead say *“they need your involvement!”* or *“speaking on a panel can sometimes benefit the speaker more than the listener!”*

- If within a week of the next H&I meeting, SEND people. Get commitments, volunteers.

FELLOWSHIP

- Conventions
- Dances
- Events
- New meetings
- Announce only a few important items — the ones happening in the next few weeks or this month.
- If too numerous to mention all, refer the Group to the literature table for upcoming events and show them a sample of the flyer for an event or meeting, etc.

SUGGESTIONS

- Keep it brief (about 5 minutes)
- If you tend to lose your place using one sheet, then use a separate sheet for each announcement. Prepare ahead of time.
- Ask another member of the group to elaborate i.e. ask someone to briefly pitch their new meeting or event. This gets the Group involved in your report.
- Get the Group involved *“How many people here have a phone shift?”* or *“How many have spoken on a panel? How does it make you feel?”*
- If something needs a vote, ask the secretary to bring it to a vote right after your report. It’s the secretary’s place to do this.
- Thank the Group for their attention

- At the Area Service Committee and Area Service Board meetings regarding the current progress of any Area Treasurer special projects or assignments.

PRUDENT RESERVE AND OPERATING EXPENSE FUNDS

- The Prudent Reserve fund formula is based on the formula found in the C.A. World Service approved pamphlet entitled The 7th Tradition. The Prudent Reserve is a "savings" of two months' worth of operating expenses set aside in the event donations and other revenues fall short of meeting the Area's expenses.

- The formula for determining the Area's current monthly Operating Expense account budget equals a one month average of the previous year's total expenses and budgets plus any upcoming previously non-budgeted expenses factored in.
- The Area also keeps an amount equal to the next month's expenses in the Operating Expense account so that the Area is not one month "behind" in the event the current month's revenues don't arrive in time to pay current bills. This prevents borrowing a partial amount from the Prudent Reserve each month. The correct procedure is to only utilize the Prudent Reserve in the case of a true financial emergency.

TAXES

- The SFVCA Area Treasurer must prepare a year-end (December 31st) Income Statement and Balance Sheet due to the CPA by January 31st every year.
- Request from the Chips and Literature Chair all sales receipts and totals for literature sold to meetings or individuals, with sales tax totals included, by June 30th for processing by July 31st of every year.

- Keep the Meeting Zone map current.

- Assign one World Service Delegate to each meeting zone for the purpose of accrediting meetings that are in compliance with the C.A. World Service criteria for a Cocaine Anonymous Group as outlined in the C.A. World Service Manual. Accreditation ensures that a meeting listed in our directory as a Cocaine Anonymous meeting is truly a C.A. Group with no outside affiliation and that its primary purpose is to carry the message of recovery as outlined in the 12 Steps of Cocaine Anonymous. If possible each World Service Delegate should be assigned to the zone closest to his or her home. The number of World Service Delegates determines the amount of meeting zones, i.e. 3 Delegates = 3 geographical meeting zones, etc.

Group meetings not represented as of the last Area Service Committee meeting, and what World Service Delegate has been assigned to visit that meeting.

SFVCA SERVICE MANUAL SECTION 2

SFVCA COMMITTEES

The SFVCA Bylaws in Article II Corporate Management: Section F. — Standing Committees contains other specific details regarding Area Standing Committees.

If a conflict should arise between the SFVCA Service Manual and the SFVCA Area Bylaws, the conflict shall be resolved in favor of the Area Bylaws, as the SFVCA Service Manual does not supersede the SFVCA Area Bylaws.

All Service Notebooks published by the SFVCA Area Service Committee are property of the Fellowship and must be returned to the Area Service Board upon rotating out of a service commitment. The Area Service Board will provide GSRs, Standing Committee Chairs, World Service Delegates, Board members, and any others as necessary, with a Service Notebook. The Area Service Board is responsible for the formation of Area Standing Committees; the Standing Committees are directly responsible to the Area Service Board. The SFVCA Area Service Committee provides community outreach services primarily through the H&I, Public Information, Internet, Directory, and Hotline Standing Committees. Other committees provide support for the local C.A. Groups, and still others provide support for the Area Service Committee.

Community outreach services in the past have included outreach to local schools and colleges, public service announcements on the radio and in the local papers, attendance at Health Fairs, billboards, posters at various hospitals and institutions with our logo, phone number, Internet address and the slogan “We’re Here and We’re Free®”.

One of our longest running services is the Hotline. The Hotline is our connection to addicts that need someone to talk to. The C.A. hotline also connects us to individuals and family members with questions about C.A.

The following sections describe current operational procedures and duties for Area Standing Committees, their chairpersons and members. As previously mentioned, the SFVCA Bylaws may contain other specific details regarding Area Standing Committees.

REPORTS

Standing Committee or Ad Hoc Committee reports shall be submitted in writing by that committee's chair. The report should be typed or neatly hand-written. Since we are self-supporting by our own

contributions, the Area pays for the cost of report copies.

Reports submitted at the Area Service Committee meeting shall include one copy for the Area Recording Secretary for archive purposes and one copy for each Area Service Board member.

Reports submitted at the Area Service Board meeting shall include one copy for the Area Recording Secretary for archive purposes, and one copy for each Area Service Board member. Copies of reports to the Area Service Board shall be made available to the GSRS upon request

VOTING

Each Committee carries only one vote. Only the Committee Chair or Vice Chair that has been ratified per the SFVCA Bylaws by the Area Service Committee may cast a committee's vote except with the exception of the H&I Liaison which carries one vote. Votes may not be proxies; a voting member must be present to vote.

FINANCIAL PROCEDURES

As outlined in the San Fernando Valley Cocaine Anonymous Bylaws the stated purpose for any fundraising event shall be to establish sufficient funds to arrive at both the Prudent Reserve and Operating Expense funds.

The factors for calculating these funds shall include the previous year's monthly average funding of all Standing Committee Budgets, regularly scheduled annual events, committee's budgets, and all other operating expenses.

ASC approval of an event does not imply that the ASB will approve the funds to implement the event.

Surplus monies (if any after meeting Prudent Reserve and Operating Expense account amounts, and any pending expenses factored in) shall be donated to World Services.

Ratification of an event or outreach service simply means that the Area Service Committee believes this would be beneficial for the Area fellowship. Per the SFVCA Bylaws approval for expenditures of any type resides with the Area Service Board. The Area Service Board shall take into consideration both the Area's Prudent Reserve and Operating Expenses funds, as previously defined in this manual, before approving funds.

Anytime that a committee handles money, that committee must include a minimum of Chair, Vice Chair, and Treasurer. A contact telephone number must be made available to the Area Service Board at the time of any funds requests. There will be no exceptions.

All fundraising expenses and income must be accounted for utilizing accepted General Accounting Principles. Payouts require a dated machine printed receipt or dated signed receipt and or invoice from the vendor or service provider. There will be no exceptions.

Budget proposals for annual events shall be submitted to the Area Service Board at least 6 Area Service Board meetings prior to the last Area Service Committee meeting before the event. Budget proposals for events that are not on the annual calendar shall be submitted at least 3 Area Service Board meetings prior to the last Area Service Committee meeting before the event.

Three (3) bids is the minimum acceptable amount of bids for awarding contracts to Service Providers, Vendors, etc. The three bid procedure also applies for the contracting/purchasing of any and all other services, goods, etc., as shall be deemed necessary for an event including but not limited to; tee shirt printing, DJs, electric generators, PA speaker systems, bands, phone services, copy machines, etc. There shall be no exceptions.

EXPENSES

San Fernando Valley Cocaine Anonymous is self-supporting through its own contributions. No member is required to pay for service committee expenses that conform to the stated approval of the Area Service Board. In order to prevent confusion, a member must first submit a budget request before the Area Service Board will approve any personal expenses.

All committees that require an annual budget i.e. Special Events, Public Information, Internet, etc., shall submit budgets for approval by the Area Service Board. Ad Hoc committees are free to submit budgets for approval by the Area Service Board at any time through their respective Standing Committee.

COMMITTEE MEMBERSHIP PROCEDURES.

The committee is comprised of the SFVCA World Service Delegates acting as SFVCA accreditation representatives. See *Section 3 World Service Delegates* for details on accreditation procedures.

- On behalf of the Area Accreditation Committee, the World Service Delegates should ensure the At Large Director is provided with current C.A. World Service Manuals each year. - The Hotline Chair and Vice Chair shall ensure that all volunteers are informed in writing, that because by law cocaine is considered a controlled substance, picking up a caller and taking them to a meeting could result in being considered by the authorities as transporting a controlled substance if the passenger has cocaine, crack, etc., in her/his possession. It is strongly recommended that a caller wanting to attend a meeting of Cocaine Anonymous be directed to meet the Hotline volunteer at a C.A. meeting instead. Hotline volunteers shall be informed that the decision to pick up a caller is the sole responsibility of the volunteer.

INTERNET COMMITTEE 1 VOTE

- The SFVCA Internet Committee was formed in 2000. Its main objective is the creation and maintenance of an internet presence for San Fernando Valley Cocaine Anonymous. - The completed Newsletter must be approved by both the PSR Trustee and the SFVCA Board of Directors before it is printed

- The Editor is responsible for the presentation of the newsletter and obtaining a signed released form for all submissions

PUBLIC INFORMATION COMMITTEE 1 VOTE

In all public relations, C.A.'s sole objective is to help the still-suffering addict. Always mindful of the importance of personal anonymity, we believe this can be done by making known to the addict, and to those who may be interested in their problem, our own experience as individuals and as a fellowship in learning to live without cocaine and all other mind-altering substances.

- We believe that our experience should be made available freely to all that express sincere interest. We believe further that all efforts in this field should always reflect our gratitude for the gift of sobriety and our awareness that many outside C.A. are equally concerned with the serious problem of addiction.
- The Public Information Committee develops, initiates, and plans the method of communication of our message of recovery to the public, which is presented to the Area Service Committee and the Area Service Board for approval.

STRUCTURE AND BYLAWS COMMITTEE 1 VOTE

- This committee functions in the identical manner as the World Service Structure and Bylaws committee. The function of the SFVCA Structure and Bylaws Committee is to formulate bylaws, guidelines and the structure by which the SFVCA can operate, day-to-day, with regard to all other Corporate activities.
- The SFVCA Structure and Bylaws Committee is responsible for the creation and maintenance of the SFVCA Service Manual and the SFVCA Bylaws.

SPECIAL EVENTS COMMITTEE 1 VOTE

with the group conscience of C.A. as a whole worldwide, it is illegal to use the name “Cocaine Anonymous,” the block letters “C.A.” and the “C.A.” logo without the prior written consent of the Area Chairperson. The logo belongs to the C.A. Fellowship as a whole, and as a whole has decided, through our C.A. World Service Conference Delegates, that prior permission must be granted for use of the C.A. logo. There is also the matter of insurance liability. An event that has not been approved by the SFVCA Area Service Board of Directors as a matter of corporate record may cause the event organizers to personally assume all liability in case of accidents, etc. Only authorized use of the C.A. logo extends insurance coverage to an event. Annual events are not automatically insured unless the SFVCA Area Service Board of Directors has approved the current event.

 1. There is a solution in the 12 Steps.
 2. There is direction for the Groups in The 12 Traditions.
 3. The Concepts are the guidelines for our organized service work.
- The role of the Unity Committee includes the equally important task of creating methods of enhancing communication and outreach between the Area’s Groups.
- The Unity Committee also serves to bring a neutral and prudent voice in times of serious concern or misunderstanding within a Group, or the Fellowship as a whole.

- The Unity Committee will host a Celebrate Around the World (CATW) event on the 1st Saturday in March as suggested in the World Service Conference Unity Committee Guidelines and Duties to promote enthusiasm and unity within the Fellowship of Cocaine Anonymous and financially support the Fellowship’s effort to send World Service Delegates to the World Service Conference

COOPERATION WITH THE PROFESSIONAL COMMUNITY (CPC) COMMITTEE

Responsible for a unique brand of 12 Step work by carrying the message of recovery to professionals, who in their line of work, may have some sort of supervisory capacity over or direct contact with individuals who may have a cocaine problem. The committee informs the professional community about C.A.: what we are, where we are and what we can and cannot do to help the addict who still suffers. The committee attempts to establish communication between C.A. members and the professional community to find productive methods of cooperation, not affiliation, within the C.A. Tradition.

The ASB at its discretion may delegate these responsibilities to other committees or individual members

SFVCA SERVICE MANUAL SECTION 3

WORLD SERVICE DELEGATES

The SFVCA Bylaws contain other specific details regarding the qualifications, duties, and responsibilities of SFVCA World Service Delegates and their Alternates. The C.A. World Service Manual contains more specific details regarding the duties and responsibilities of the World Service Delegate as an Area trusted servant and as a voting member at C.A. VOTING (AREA LEVEL)

Each World Service Delegate carries only one vote. The Alternate Delegate only votes in the absence of a regular Delegate. (from the WSM)

- All WS Delegates shall understand what a C.A. World Service Conference Referral is and should be able to explain it to any member of the Fellowship. It is an extremely simple concept: Any member of Cocaine Anonymous may submit genuine concern/issue in writing to the C.A.

World Service Conference as a referral for consideration by the Conference. No concern is too small, silly, petty, or insignificant. All concerns are respected.

- WS Delegates shall call for referrals from the Fellowship at least three Area meetings prior to the World Service Conference
- Attend meetings in his/her zone as assigned by the At Large Director for the purpose of accrediting meetings that are in compliance with the C.A. World Service criteria for a Cocaine Anonymous Group as outlined in the C.A. World Service Manual. Accreditation ensures that a meeting listed in our directory as a Cocaine Anonymous meeting is truly a C.A. Group with no outside affiliation and that its primary purpose is to carry the message of recovery as outlined in the 12 Steps of Cocaine Anonymous.
- Encourage a Group's involvement at the Area level through visits and support.
- Attend meetings in their zone to ensure continuing compliance with C.A. World Service criteria. If a previously accredited meeting is not in compliance, the WS Delegate will refer the meeting's secretary to the C.A. World Service Manual. Should the Group, after a group conscience, not wish to comply with the C.A. World Service Manual criteria for a C.A. Group, the Group will simply be removed from the SFVCA meeting schedule. A Group is autonomous and cannot be forced to comply with C.A. World Service Manual criteria.
- It is strongly suggested that WS Delegates not dilute the Area's voting voice and conscience by also carrying a vote as a GSR and/or a Standing Committee Chair.
- Delegates are a knowledgeable source of the Traditions, Concepts, and Area Bylaws. So it is strongly suggested every World Service Delegate and Alternate Delegate participate in an Area Standing Committee of their own interest. It is also suggested that if possible World Service Delegates try to serve on separate committees.
- The SFVCA Bylaws contain other specific details regarding the qualifications, duties, and responsibilities of the World Service Delegates.

SFVCA SERVICE MANUAL SECTION 4

SFVCA SPECIAL EVENT GUIDELINES

We encourage members to bring ideas and concepts for special events to the Area! In the interest of facilitating this process and avoiding confusion, we offer these guidelines.

Putting on an SFVCA Special Event

All contracts that bind the Area to a financial arrangement must be approved by the Board and signed by the Area Board Chair, Vice-Chair or Treasurer. Permits that reserve dates and times only (without any financial obligation) may be signed by the Committee Chair or the Chairs designee. A copy of all signed permits shall be furnished to the Special Events Chair and Board.

In the production of Area events, The 12 Traditions of C.A. should be always be considered and followed. Outside/for profit vendors may be contracted by the event, but should never conduct non-event business at an Area event.

Forming a Special Event Committee

Area Service Committee approval is required for all Area events. Notice of intent to produce a standing Area event, or a concept for a new event, should be presented to the Board and Special Events Chair prior to the first official committee meeting. All event committees are to have event approval and should have a Chair, Vice-Chair, Secretary and Treasurer prior to submitting a budget.

All committees are required to keep minutes of business meetings. The Special Events Chair shall be advised of and receive minutes of all committee meetings. A Committee Contact/Responsibility Sheet shall also be kept current with the Special Events Chair.

Once the event has been approved, notice shall be given to the Area/Board of the event's committee meetings so that the Fellowship may be advised via the GSR report that an event committee is meeting. This will encourage new people to become involved in events.

Submitting Your Budget

Budget proposals for annual events shall be submitted to the Area Service Board at least 6 Area Service Board meetings prior to the last Area Service Committee meeting before the event. Budget proposals for events that are not on the annual calendar shall be submitted at least 3 Area Service Board meetings prior to the last Area Service Committee meeting before the event.

Three (3) bids is the minimum acceptable amount of bids for awarding contracts to Service Providers, Vendors, etc. The three bid procedure also applies for the contracting/purchasing of any and all other services, goods, etc., as shall be deemed necessary for an event including but not limited to; tee shirt printing, DJs, electric generators, PA speaker systems, bands, phone services, copy machines, etc. There shall be no exceptions.

An event budget must be submitted to and approved by the Finance Chair before being approved

by the Board. The budget shall be reviewed by the Finance Chair and submitted to the Board within 30 days of submission

The Area posts an event budget template and profit and loss template at www.sfvca.org. In the case of annual events, a copy of the prior year's budget should be requested from the Special Events Chair or the Finance Chair.

The Special Events Chair and Area Finance Chair should be consulted for guidance in preparing the budget. It is suggested that the Finance Chair or Special Events Chair be invited to and attend a committee planning meeting prior to submitting the budget to the Area Service Board for approval.

It is the responsibility of the Finance Chair to provide each Board member and the Special Events Chair a copy of all budgets to be approved.

Financial guidelines are contained in the C.A. World Service Manual as well as in the SFVCA Service Manual and Bylaws.

Submitting Fliers and Tickets for Area Approval

All media must contain the C.A. logo and the following World Service Conference disclaimer: In the Spirit of Tradition Six, C.A. is not allied with any sect, denomination, politics, organization or institution. **You may also add:** Cocaine Anonymous is not responsible for theft, injury, damage, or loss of property. **(This refers to C.A. as a whole)**

Any media (printed, electronic or otherwise) must be approved by the Area Service Board prior to printing or distribution.

Event committees are encouraged to distribute approved event media to other Areas within the Pacific South Region. The region has a social media group that can be utilized for this. Ask a World Service Delegate for assistance with this.

Committee Meetings & Minutes

Notice of Committee meetings should be made available to the Board in time for it to be noted in the GSR Report and posted on our website.

Copies of committee meeting minutes should be made available to the Special Events Chair and to the Recording Secretary of the Board (for archives). If there is no Special Events Chair for the Area, minutes should be sent to the Board Chair.

Memorabilia:

Wherever possible, pre-event sales are encouraged, either as a fundraiser or included as an option in or part of the registration package.

If a committee has not decided on the type and quantity of memorabilia items at the time of budget

submission, they may leave that line item figure blank and note that they will be returning to the Area with an addendum to the budget.

Memorabilia should be paid for with an Area check. Checks may be requested from the Area Treasurer at either the monthly Area Service Meeting or the Area Service Board meeting

Left over memorabilia belongs to the Area, not the event. The disposition of these items should be discussed with the Board at least 30 days prior to the event. The discounting of event merchandise at the end of or after an event is discouraged in order to support the event's financial integrity.

Opportunities exist to sell leftover items at other Area/Regional memorabilia fairs and the World Service Conference.

Per our accountant, accurate records must be kept regarding the sales of all memorabilia items. These forms are available from the Special Events Chair. All event committees must comply with these procedures in order to sell memorabilia. These records must be turned in with money **and** as part of the P&L Statement.

Items from the Archives:

The Area maintains storage of event items for use by event committees, which may include but are not limited to:

- ☐ Coffee Pots
- ☐ Cooler
- ☐ Camp Stoves
- ☐ Igloo cold beverage dispensers
- ☐ Cups, Plates, Napkins, Utensils
- ☐ Table Coverings
- ☐ Serving bases
- ☐ Corrugated Recycling Bins and Trash cans with Liners
- ☐ Event signage
- ☐ Volleyball and Other Sports Equipment

Please do not wait until the last minute. When items are needed for an event, the committee will contact the Archives Chair to make arrangements to receive, transport and return items. The Archives Chair will provide a list of available items to the event committee. The committee will make note of what items they wish to borrow/use and in what quantity and make arrangements with the Archives Chair directly to retrieve and return items.

It is expected that all non-disposable items borrowed from the archives will be returned cleaned and in good working order in a timely manner. We understand that accidents happen and that items don't last forever. Please inform the Archives Chair if items are damaged.
