The 2024 SFVCA H&I Bylaw revisions are listed below. The new bylaws are posted on the SFVCA H&I web page and will be voted on at the December business meeting:

- a. Revise Director and Asst Director to Chair and Vice Chair throughout the document.
- b. Pg 5 - Revised minimum sobriety to 60 days from 90 days to speak on a panel
- c. Pg 6- added "or designee" to #2 of the Chair's duties.
- d. Pg 22- added updated Business Meeting format
- e. Pg 24- added updated Board Meeting format
- f. Pg 25- added updated Literature Request form
- g. Pg 26- added updated New Panel Info sheet
- h. Pg 30- deleted entire paragraph "Re-Entry to the Board" This is not in the World Service H&I Guidelines...it comes from the SFVCA Area By-Laws and is not pertinent to H&I.

Thank you for letting me be of service,

Annie C.
